### HAND-PAINTED NIPPON CHINA

At 1/3 and 1/2 Less Than Regular Prices

THIS beautiful china was intended for early Christmas selling, but due to unavoidable delays in transportation arrived a few days ago.

Rather than hold these goods for an indefinite period every piece has been drastically reduced at this time. Such action is most unusual and affords those who are in the midst of Christmas shopping an excellent opportunity to secure distinctive, serviceable gifts at a fraction of their original value.

Three pretty designs—a border design of Yale blue, a fancy gold border design and a flying bluebird pattern on fine thin body-china.
